MERCURY

Inflatable Boats

DYNAMIC RIB

The hull strength of a conventional craft with the exceptional stability of an inflatable boat.

Best Of Both Worlds

Mercury's Dynamic Rigid Inflatable (RIBs) give you the hull strength of a conventional craft with the exceptional stability of an inflatable boat. Each model in the Dynamic RIB Series features a laminated fiberglass hull with the VITECH™ (Vacuum Injection TECHNOlogy) process, molding the hull and transom as one piece for incredible strength and durability. The roomy interiors allow for carrying plenty of cargo.
