OCEAN RUNNER

Breathtaking performance combined with bright, aggressive styling.

Nothing Dinghy About It

The Ocean Runner Series brings a truly performance-engineered, stepped fiberglass V-hull together with a very stable inflatable tube, making Ocean Runner one of the finest Rigid Inflatable Boats (RIBs) in its price range. The extremely strong and durable hull and transom are able to take today's venerable four-stroke engines. Ocean Runner's tight handling and outright performance will amaze you. The bright, aggressive styling will catch your eye. The way these boats perform will have you catching your breath.
